**CAUTION - EXTERNAL:**

Dear Mark Rettew,

First a week or so ago the disabled the remote control to my Whirlpool spa now this morning I'm in my tub getting ready to turn it off and I got jolted by touching the switch which is covered in plastic now they were thinking I think that the ark would jump into the tub either way I never got shocked before using this spa now you tell me what is going on first they took out my car yesterday they took out my computer I have no car no computer they poison my medical marijuana poison the air I breathe I had to buy oxygen I demand immediate relief from the courts I demand to be restored to whole back to 1987 you have a good day and happy New year
